

Marty Muscatello

Marty Muscatello is the Past President and CEO of FoxGuard Solutions located in Christiansburg, VA. He , and his business partner, Tim Lawson, sold the company to Framatome, a Nuclear power generator manufacturer located in Paris, France in October, 2019. Mr. Muscatello joined CCS-Inc. in 2003, serving as President until May 2005, when he was named President and Chief Executive Officer. The company evolved into two separate companies, FoxGuard Solutions located in Christiansburg, Virginia and Qualtrax located in Blacksburg, Virginia. Mr. Muscatello has over 30 years of management experience in business and company growth. Prior to joining CCS, Mr. Muscatello was General Manager of Rohm and Haas' Optoelectronics division holding P&L responsibility. Working with divisions in Philadelphia, Boston, and New York, he established the business for the Optoelectronics division in Virginia. Mr. Muscatello is dedicated to business growth in Southwest Virginia and throughout the State. He serves on the Board of the Valley Innovation Council where he serves as co-chair of the organization. Mr. Muscatello holds both a B.S. in Industrial and Systems Engineering and an MBA from Virginia Tech. He is active in the community, serving on several boards and holding membership in several organizations.
